

**EU GDPR REGULATION 2016/679, Legislative Decree 101/2018, Legislative Decree 196/2003 as amended  
CUSTOMER INFORMATION NOTICE**

**Premise:**

- The Data Controller determines the purposes and means of data processing;
- The Data Controller promotes, offers, and provides goods and services to its Customers;
- As part of the proposal and provision of goods and services, the Data Controller processes the Customer's personal data.

**The following information is provided:**

- 1) **DATA CONTROLLER** - The Data Controller (hereinafter "Controller") is SOCIETA' AGRICOLA SIDDURA SNC DI GOTTESDIENER NATHAN & C., VAT No. 02318880909, with registered office at Loc. Siddura snc, 07020 LUOGOSANTO (SS), Tel. 0796573027, email: direzione@siddura.com, certified email: amministrazione.siddura@legalmail.it.
- 2) **PURPOSES OF DATA PROCESSING** - All personal data processing operations are carried out for the following purposes:
  - To establish and execute ongoing contractual relationships, including the acquisition of preliminary and preparatory information for contract conclusion, as well as to provide pre-sales and after-sales assistance;
  - To comply with all operations required by regulatory, tax, and fiscal obligations;
  - To manage relationships related to administration, accounting, orders, shipping, invoicing, and any disputes;
  - To carry out commercial communications through which the Controller promotes products and services;
  - To protect rights and credit positions deriving from the contractual relationship.
- 3) **LEGAL BASIS FOR PROCESSING** - The legal basis for processing personal data includes:
  - Execution of a contract to which the Customer is a party or execution of pre-contractual measures requested by the Customer;
  - Compliance with legal obligations to which the Controller is subject;
  - Consent for receiving marketing, commercial, and promotional communications.
- 4) **PERSONAL DATA PROCESSED** - The personal data processed include:
  - Identification data; contact details (including those of employees/collaborators if the Customer is a company); tax data.
- 5) **PROVISION OF PERSONAL DATA** - The provision of personal data is necessary for the purposes indicated in point 2). Therefore, any refusal to provide them would prevent the Controller from establishing or executing the relationship.
- 6) **METHODS AND ACTIVITIES OF DATA PROCESSING** - Personal data processing, for the purposes outlined in point 2), occurs both through automated means (digitization and computerized processing) and non-automated means (paper support) in compliance with confidentiality and security rules set by law and in accordance with the Controller's provisions. Processing activities include acquisition, registration, access, consultation, storage, and communication. Data acquisition may occur through different methods: directly from the Customer, via the website, at events organized by the Controller, or trade fairs. No automated decision-making processes, including profiling, will be carried out.
- 7) **PLACE OF DATA PROCESSING** - Personal data are processed at the registered office of SOCIETA' AGRICOLA SIDDURA SNC DI GOTTESDIENER NATHAN & C., Loc. Siddura snc, 07020 LUOGOSANTO (SS); they may also be processed on behalf of the Controller by external companies and/or professionals within the limits of the entrusted tasks.
- 8) **DISCLOSURE OF PERSONAL DATA** - Processed personal data may be disclosed to authorized internal staff and external parties, strictly within the limits necessary to perform the entrusted tasks, in compliance with confidentiality and security rules established by the Controller in accordance with regulations. In particular, concerning external parties: tax consultancy professionals/companies, labor consultancy firms, credit institutions, debt recovery companies.
- 9) **TRANSFER OF PERSONAL DATA ABROAD** - Processed personal data are not transferred abroad; should this need arise, the Controller will provide details on the destination country and the measures adopted to ensure a secure transfer in compliance with regulations.
- 10) **DATA RETENTION PERIOD** - Provided data may be retained for the entire duration of the established relationships, for the purposes indicated, and in any case within the legal terms.
- 11) **CUSTOMER RIGHTS** - The Customer has the right to access their personal data and data portability; they may request updates, corrections, or integrations, as well as, where provided by applicable regulations, deletion, limitation, or objection to processing. If the processing of their personal data is carried out unlawfully, the Customer may file a complaint with the Data Protection Authority.

I, the undersigned, in my capacity as the Customer, declare that I have read and understood this information notice and furthermore:

- I give my consent to receive marketing, commercial, and promotional communications from the Controller
- I do not give my consent to receive marketing, commercial, and promotional communications from the Controller

SUPPLIER INFORMATION NOTICE**

**Premise:**

- The Data Controller determines the purposes and means of data processing;
- The Data Controller relies on Suppliers for the purchase of goods and services;
- In the purchase of goods and services, the Data Controller processes personal data of the Supplier (hereinafter also referred to as the "Data Subject").

**The following information is provided:**

- 1) **DATA CONTROLLER** - The Data Controller (hereinafter "Controller") is SOCIETA' AGRICOLA SIDDURA SNC DI GOTTESDIENER NATHAN & C., VAT No. 02318880909, with registered office at Loc. Siddura snc, 07020 LUOGOSANTO (SS), Tel. 0796573027, email: [direzione@siddura.com](mailto:direzione@siddura.com), certified email: [amministrazione.siddura@legalmail.it](mailto:amministrazione.siddura@legalmail.it).
- 2) **PURPOSES OF DATA PROCESSING** - All personal data processing operations are carried out for the following purposes: To meet pre-contractual requirements (e.g., processing offers, orders, solvency checks); To fulfill contractual obligations (supply of goods and/or services, including the management of delivery obligations, logistics, and related transport); To comply with legal obligations (e.g., accounting management, tax formalities, administrative management); To manage disputes and credit assignments; To conduct statistical analyses.
- 3) **LEGAL BASIS FOR PROCESSING** - The legal basis justifying the processing of personal data is: Execution of a contract to which the Supplier is a party or the execution of pre-contractual measures requested by the Supplier; Compliance with legal obligations.
- 4) **PERSONAL DATA PROCESSED** - The personal data processed include: Identification data; contact details (including those of employees/collaborators of the Supplier); tax data; banking details.
- 5) **PROVISION OF PERSONAL DATA** - The provision of personal data is necessary for the purposes outlined in point 2). Therefore, any refusal to provide them would prevent the Controller from establishing or executing the relationship.
- 6) **METHODS AND ACTIVITIES OF DATA PROCESSING** - Personal data processing, for the purposes outlined in point 2), occurs both through automated means (digitization and computerized processing) and non-automated means (paper support) in compliance with confidentiality and security rules set by law and in accordance with the Controller's provisions. Processing activities include acquisition, registration, access, consultation, storage, and communication. No automated decision-making processes, including profiling, will be carried out.
- 7) **PLACE OF DATA PROCESSING** - Personal data are processed at the registered office of SOCIETA' AGRICOLA SIDDURA SNC DI GOTTESDIENER NATHAN & C., Loc. Siddura snc, 07020 LUOGOSANTO (SS); they may also be processed on behalf of the Controller by external companies and/or professionals within the limits necessary for the entrusted services.
- 8) **DISCLOSURE OF PERSONAL DATA** - Processed personal data may be disclosed to authorized internal staff and external parties, strictly within the limits necessary to perform the entrusted tasks, in compliance with confidentiality and security rules established by the Controller in accordance with regulations. In particular, concerning external parties: Tax consultancy professionals/companies, credit institutions, insurance and debt recovery companies; Public and private entities, also following inspections or verifications by competent authorities; Professionals/consulting firms for management systems.
- 9) **TRANSFER OF PERSONAL DATA ABROAD** - Processed personal data are not transferred abroad; should this need arise, the Controller will provide details on the destination country and the measures adopted to ensure a secure transfer in compliance with regulations.
- 10) **DATA RETENTION PERIOD** - Data will be retained only for the time necessary to achieve the purposes for which they were collected and in compliance with legal requirements.
- 11) **DATA SUBJECT'S RIGHTS** - The Supplier has the right to access their personal data and data portability; they may request updates, corrections, or integrations, as well as, where provided by applicable regulations, deletion, limitation, or objection to processing. If the processing of their personal data is carried out unlawfully, the Data Subject may file a complaint with the Data Protection Authority.
